

INTERNATIONAL SOCIETY OF PLASTIC &
REGENERATIVE SURGEONS

6th ISPRES Congress in Dubai 17-19 November 2017

In conjunction with the 3rd Emirates Plastic Surgery Congress

Don't miss the 6th ISPRES CONGRESS with live streaming video!

The International Society of Plastic Regenerative Surgeons (ISPRES) is a forum for exchanging ideas and promoting advancements in the application and clinical use of regenerative medicine in plastic surgery.

ISPRES and the Emirates Plastic Surgery Society (EPSS) will host the 6th ISPRES 2017 at the Jumeirah Beach Hotel, Dubai-United Arab Emirates on 17-19 November, 2017.

In attendance will be more than 500 delegates including surgeons, clinicians, nurses and allied health care professionals from the region and all across the world, with an interest in Aesthetic, Plastic & Regenerative Surgery.

Share your hope and ideas for better treatments and outcomes with physicians, scientists, researchers and academicians at the 6th ISPRES Congress.

Mission and Vision

The future of reconstruction plastic surgery lies in the science of regenerative medicine. The ability to regenerate lost tissue is a game changer in our specialty. We stand at the cusp of discovery and can be pioneers, guiding the future of medicine. ISPRES will serve to facilitate the sharing of knowledge and research.

Our underlying mission and vision remain dedicated to the advancement of regenerative plastic surgery and what we believe will be shaping the future of our specialty.

ISPRES is an affiliated organization of ASPS
444 E. Algonquin Rd.
Arlington Heights, IL 60005
