

Dear Sirs and Madams,

On behalf of ISPRES, it is a great honor to invite you to the 8th ISPRES Annual Congress held on June 25 – 27, 2020 in Shanghai, China at the Shanghai Convention Center.

ISPRES is the world's only society for Plastic Regenerative Surgery, focused on surgeries and treatments using regenerative approaches such as fat tissue, stem cells, biomaterials, cytokines, and other novel biotechnologies. Please join as a ISPRES member (\$150 USD/year; online) through our website, www.ISPRES.org. ISPRES member benefits include reduced rates for meetings, educational content in the members-only area of our website, seasonal newsletters on latest developments and technologies and so on. Please send any questions to membership@ispres.org.

The next ISPRES Congress will be held in conjunction with the Chinese Society of Aesthetic Plastic Surgery's (CSAPS) Academic Conference which will be followed by educational programming presented by the American Society of Plastic Surgeons (ASPS) on June 28. Live surgery provided by ISPRES and ASPS will take place on June 27.

During the three-day ISPRES Congress, we will have a variety of lectures and panels by world experts as well as free paper sessions for the latest reports on clinical cases, surgical techniques and biotechnological innovations.

Abstracts are now being accepted!

To find out more about the Congress, additional programming, faculty or to submit your abstract visit www.ISPRES.org

If you have any questions, please let us know.

Sincerely,

Kotaro Yoshimura, MD
President of ISPRES
Program Chair
